NATIONAL ARTS CENTRE CORPORATION

For the 6 months ended February 28, 2013

Management Responsibilities

Management is responsible for the preparation and fair presentation of these quarterly financial statements in accordance with the Treasury Board of Canada Standard on Quarterly Financial Reports for Crown Corporations, and for such internal controls as management determines is necessary to enable the preparation of quarterly financial statements that are free from material misstatement. Management is also responsible for ensuring all other information in this quarterly financial report is consistent, where appropriate, with the quarterly financial statements.

Based on my knowledge, the unaudited quarterly financial report presents fairly, in all material respects, the financial position, results of operations and cash flows of the Corporation, as at the date of and for the periods presented in the quarterly financial report.

NATIONAL ARTS CENTRE CORPORATION

Notes to the Quarterly Financial Statements

February 28, 2013

1. Authority, objectives and operations

The National Arts Centre Corporation (the “Corporation”) was established in 1966 pursuant to the *National Arts Centre Act* and began operating the National Arts Centre (the “Centre”) in 1969. The Corporation is not subject to the provisions of the *Income Tax Act*. In accordance with Section 85 (1.1) of Part X of the *Financial Administration Act*, Divisions I to IV of the *Act* do not apply to the Corporation, except for subsection 105(2) and sections 113.1, 119, 131 to 148 and section 154.01, which do apply to the Corporation. The Corporation is deemed, under Section 15 of the *National Arts Centre Act*, to be a registered charity within the meaning of that expression in the *Income Tax Act*. The Corporation is not an agent of Her Majesty. Except for the purposes of the *Public Service Superannuation Act* and the *Government Employees Compensation Act*, the President and Chief Executive Officer, the officers, and employees of the Corporation are not part of the federal public administration.

The objectives of the Corporation are to operate and maintain the Centre, to develop the performing arts in the National Capital Region, and to assist the Canada Council for the Arts in the development of the performing arts elsewhere in Canada.

In furtherance of its objectives, the Corporation may arrange for and sponsor performing arts activities at the Centre; encourage and assist in the development of performing arts companies resident at the Centre; arrange for or sponsor radio and television broadcasts and the screening of films in the Centre; provide accommodation at the Centre, on such terms and conditions as the Corporation may fix, for national and local organizations whose objectives include the development and encouragement of the performing arts in Canada and, at the request of the Government of Canada or the Canada Council for the Arts, arrange for performances elsewhere in Canada by performing arts companies, whether resident or non-resident in Canada, and arrange for performances outside Canada by performing arts companies resident in Canada.

2. Notice to reader

These quarterly financial statements have not been audited and must be read in conjunction with the accompanying Narrative Discussion, and the most recent audited annual financial statements.

3. Basis of presentation

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards (PSAS) including series 4200 accounting standards for government not-for-profit organizations (GNFPO).

The standard on quarterly financial reports for crown corporations requires that the statement of financial position include the ending balances of the most current quarter, and the balances at the end of the immediately preceding fiscal year as the comparative. The statement of operations must include the current quarterly results as well as the year to date results, along with comparable quarterly and year to date results from the previous fiscal year.

4. Change in accounting policies

Effective September 1, 2012, the National Arts Centre Corporation adopted Public Sector Accounting Standards including the 4200 series of accounting standards applicable for Government Not-For-Profit Organizations. This change has been applied retrospectively and prior periods have been restated. This change in accounting policy has changed amounts reported in the previous fiscal year ended August 31, 2012 as follows:

- a) Expenditures incurred to advertise and promote future performances are now expensed as incurred, rather than recognized as an asset in programs in progress. Additionally, certain intangible assets are expensed as incurred and are no longer deferred to the future performances to which they relate. The total reduction in programs in progress amounted to \$1,425,000 (\$1,158,000 in 2011). The remaining balance of programs in progress of \$428,000 (\$655,000 in 2011) has been reclassified to prepaid expenses to more accurately reflect the nature of the asset. The net impact on the statement of operations was an increase in programming expenses of \$267,000. As a result of this adjustment, the previously stated net results of operations of (\$139,000) is restated to (\$406,000).
- b) Under PSAS the Corporation must recognize a liability for employee compensated absences. A retrospective adjustment in the amount of \$225,000 has been made to recognize this obligation.
- c) Other comprehensive income is not recognized under public sector accounting standards applicable for government not-for-profit organizations. Consequently, restricted contributions from non-owners in the amount of \$4,571,000 has been eliminated, restricted contributions from non-owners recognized reduced by \$4,511,000, and \$60,000 has been reclassified to deferred revenue. Additionally, the balance of accumulated other comprehensive income (\$404,000) has been renamed accumulated re-measurement gains to more accurately reflect the nature of the net asset.

- d) As a result of the changes listed above, the previously reported accumulated surplus of \$31,000 (\$170,000 in 2011) has been reduced by \$1,650,000 (\$1,383,000 in 2011), resulting in a restated accumulated deficit of \$1,619,000 (\$1,213,000 in 2011).

5. Restricted cash held for Specified Capital Projects

On November 2, 2006, the Treasury Board of Canada approved funding for health and safety upgrades and repairs to the existing facilities of the National Arts Centre. Restricted cash held for specified capital projects represents the unused portion of parliamentary appropriations received and designated for the refurbishment of certain building structures and mechanical systems within the National Arts Centre. The funds earn a combination of variable and fixed rate interest, which is recorded in investment and other revenue. Interest income is subject to fluctuation based on the bank's prime rate and term deposit rates. The funds are expected to be disbursed within the next two fiscal years. This financial instrument is classified as *held-for-trading*, and is recorded at fair value.

Changes in the fund balance are as follows:

	6 months February 28 2013
<i>(in thousands of dollars)</i>	
Balance at beginning of period	\$ 11,563
Appropriations received to fund specified capital projects	-
<u>Appropriations invested in specified capital projects</u>	<u>(2,166)</u>

6. Deferred parliamentary appropriations

Deferred appropriations represent approved parliamentary appropriations received for work to be completed in a future period. Information on deferred appropriations is as follows:

<i>(in thousands of dollars)</i>	Beginning	Received	Used	Ending
Building refurbishment	\$ 3,579	4,083	(2,747)	\$ 4,916

7. Parliamentary appropriations

The Corporation receives parliamentary appropriations from the Government of Canada to support its operating and capital activities. The table below illustrates the parliamentary appropriations received during the fiscal year, and the accounting adjustments required to arrive at the calculation of revenue that conforms to public sector accounting standards.

Narrative Discussion

February 28, 2013

General

These quarterly financial statements have not been audited and must be read in conjunction with the most recent annual audited financial statements.

Strategic Goals

The Corporation remains committed to the fulfillment of its strategic goals published in *Performing for Canadians*:

- Artistic Excellence: Creating, producing and performing great work;
- Going National: Expanding our national role;
- The Art of Learning: Focusing on youth and education;
- Earning Our Way: Increasing our earned revenues; and
- Audiences at the Centre: Building relationships with our customers.

These strategic goals support the Corporation's legislative mandates, which are to maintain and operate the National Arts Centre (the "Centre"), to develop the performing arts in the national capital region, and to assist the Canada Council for the Arts in developing the performing arts elsewhere in Canada.

The Canada Council recognizes the role that the National Arts Centre has played and continues to play in the creation, production and distribution of the performing arts across Canada and abroad, as well as the development of individual artists.

Analysis

The Corporation presents programming in many of the performing art disciplines. The type of program, the availability of performances on specific dates, the number of performers, the scale of the program, and the complexity of the technical elements are different for each performance. In addition, each season is different from the previous one. For instance, one season's first quarter may include a full scale ballet with orchestra, while the same quarter the next season may include a small modern dance duet with recorded music and minimal sets. The Corporation's Food and Beverage Services and Parking Services are also influenced by the level of programming because of the number of patrons that the performances bring to the National Arts Centre.

The Corporation manages this normal business variability through detailed budgeting and scheduling and by the careful analysis of expenditures. For that reason, variances between quarters are to be expected, as are operating deficits early in the season. The Corporation relies on comparisons to expected revenues and expenditures to manage its financial performance.

Financial Highlights

For the three months ending February 28, 2013 the NAC realized revenues of \$18,073,000 and expenses of \$17,628,000, resulting in a surplus from operations of \$445,000. These results are in line with expectations for this period. For the six months ended February 28, 2013 the NAC realized revenues of \$35,070,000 and expenses of \$35,045,000, resulting in a surplus from operations of \$25,000. In this fiscal year, the NAC implemented administrative efficiencies in response to Federal Budget 2012 savings measures (below). Despite these challenges, artistic programming and audiences remain strong.

Risks

On March 29, 2012 the Federal Government announced their budget which included \$5.2 billion in annual savings by 2014-15. As part of that budget, the NAC's Parliamentary Appropriations were reduced by \$105,000 in fiscal 2012-13, \$1,835,000 in fiscal 2013-14, and \$1,935,000 in fiscal 2014-15 (5.43%), stated on a Government March 31 fiscal year-end basis. The Corporation has an August 31 fiscal year-end.

The NAC's senior management team and the Board of Trustees have incorporated these changes into the budgetary framework. The NAC has adapted, and will continue to be an innovator and leader in the performing arts.
