3. Basis of presentation

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards (PSAS) including series 4200 accounting standards for government not-for-profit organizations (GNFPO).

The statement of operations must include the current quarterly results as well as the year to date results, along with comparable quarterly and year to date results from the previous fiscal year.

Narrative Discussion

General

These quarterly financial statements have not been audited and must be read in conjunction with the most recent annual audited financial statements.

Strategic Goals

The Corporation remains committed to the fulfillment of its strategic goals published in *Canada is our Stage*:

CREATION: Helping artists and arts organizations across Canada create ambitious new work for national and international audiences

PERFORMANCE: Developing a new Department of Indigenous Theatre, and strengthening the NAC's national performance role

LEARNING: Extending the *Music Alive Program* to Atlantic Canada, and our education activities across the country

ARCHITECTURAL REJUVENATION: Shepherding the architectural rejuvenation of the NAC A NATIONAL, FRANCOPHONE ORGANIZATION: Becoming just as national in French as we are in English by renewing our commitment to Francophone artists, arts organizations and audiences

INCREASING OUR EARNED REVENUES: Increasing our earned revenues to support our national initiatives

AUDIENCES AT THE CENTRE: Building relationships with our audiences

These strategic goals support the Corporation's legislative mandates, which are to maintain and operate the National Arts Centre (the "Centre"), to develop the performing arts in the national capital region, and to assist the Canada Council for the Arts in developing the performing arts elsewhere in Canada.

Analysis

The Corporation presents programming in many of the performing art disciplines. The type of program, the availability of performances on specific dates, the number of performers, the scale of the program, and the complexity of the technical elements are different for each performance. In addition, each season is different from the previous one. For instance, one season's first quarter may include a full scale ballet with orchestra, while the same quarter the next season may include a small modern dance duet with recorded music and minimal sets. The Corporation's Food and Beverage Services and Parking Services are also influenced by the level of programming because of the number of patrons that the performances bring to the National Arts Centre.

The Corporation manages this normal business variability through detailed budgeting and scheduling and by the careful analysis of expenditures. For that reason, variances between quarters are to be expected, as are operating deficits early in the season. The Corporation relies on comparisons to expected revenues and expenditures to manage its financial performance.

Financial Highlights

For the six months ending February 28, 2019 the NAC realized revenues of \$46,508,000 and expenses of \$45,998,000, resulting in a surplus from operations of \$510,000. This is consistent with the budget for this fiscal year.

Risks

The NAC relies on parliamentary appropriations, ticket sales, commercial revenue, donations and sponsorships to fund its programming and to maintain the Centre. These sources of revenue may fluctuate with economic conditions, and programming choices. Additionally, the Centre is approaching 50 years of age with certain building systems requiring replacement during coming years.
