

DIRECTIONS TO 1 ELGIN

If arriving on foot, please enter the building, make your way to Level P2, and follow signage to the restaurant.

When being dropped off by an Uber or taxi, you can request to be dropped off in front of our Elgin Street entrance and make your way through the NAC to Level P2, or at 'Stage Door' (most taxi drivers know where that is), and enter the restaurant on the Canal side.

If arriving by car, please enter our parking garage via the Elgin Street entrance (North side of Confederation Park). Once in the garage, please continue on Level P2, turn left and continue to the North side of the parking garage. Access to the interior of the building is across from the G1-G6 parking spots, and accessible parking is available in the G3-G6 area.

- The parking garage is always open.
- Take note or a picture of your parking spot, and we'll help you find it after your visit!
